

GUIDANCE FOR VEGANS

Effective from: 21/12/2018. The list contains Aldi own label products that are suitable for vegan lifestyles. In order to state that a product is suitable for vegans the product should not contain any ingredients or raw materials of animal origin and no ingredients used in the product should have been subject to animal testing. The supplier should also avoid the risk of cross contamination of the product with ingredients or other products of animal origin. This information is to be used as a guide only; whilst every effort has been taken to complete the list accurately the products may be subject to subsequent changes in formulation or supplier. Aldi do not accept liability for the consequences of such changes. Products are subject to availability and will not be available in all stores.
