EGG HUNT REWARDS

Time for Incredible treats and brilliant rewards. This year we were inspired to make your Easter egg hunt better than ever. All you need are our bright and colourful reusable eggs (available in store), simply fill them with lots of wonderful rewards and prizes. It might be staying up a little later or watching a film. It might be stickers and balloons. Whatever you want it to be. To help, we've come up with some ideas below. Simple cut out the rewards and pop them in your eggs, then hide them for the hunt. Ok, you can throw in a few chocolates too. Don't forget to keep them all for next year as well. It's so eggs-citing!
