

Follow the Fireworks Code

Young people should watch and enjoy fireworks at a safe distance and follow the safety rules for using sparklers. Only adults should deal with firework displays and the lighting of fireworks. They should also take care of the safe disposal of fireworks once they have been used.

1. Plan your firework display to make it safe and enjoyable. Keep all pets indoors.
2. Keep fireworks in a closed box and use them one at a time.
3. Read and follow the instructions on each firework using a torch if necessary.
4. Light the firework at arm's length with a taper and stand well back.
5. Keep naked flames, including cigarettes, away from fireworks.
6. Never return to a firework once it has been lit.
7. Don't put fireworks in pockets and never throw them.
8. Direct any rocket fireworks well away from spectators.
9. Never use paraffin or petrol on a bonfire.
10. Make sure that the fire is out and surroundings are made safe before leaving.

Normally, you can only set off fireworks until **11pm**.
But on **5 November** you can set them off until **12am**.

Only buy fireworks that comply with the requirements of BS EN 15947.
All of our fireworks comply with these safety standards and carry a CE mark.

Be safe not sorry. Always follow **The Fireworks Code**.
